## T20 Charity Match

Our Seniors are planning a charity match to raise funds for Brain Cancer research. This is cited at this stage for mid-January @ Manly Oval. We will have raffles, famous players, current players and some ex-Redbacks players battling it out for a great cause. Further planning to take place over the next couple of weeks. If anyone is interested in planning / volunteering to run the day – we would more than welcome anyone. ## Update on Lionel Watts Nets

The latest information we have received is as follows:

Construction of the new nets will start Sept 2018 and will be done in conjunction with construction of the synthetic field. They are planned to be finished for the start of our 19-20 season.

The location of the new nets will be at the end of the netball courts, as per the last plans we saw. The nets are going to be enclosed.

Council will make the plans public shortly. We will be sure to keep you updated!

## Seniors

It has been a very interesting year for our Seniors this season thus far! Some excellent performances with the bat and the ball including 4 x 100's and 2 x 5 wicket hauls so far.

We have had some regular Juniors playing Senior cricket in the afternoon and performing exceptionally well! Always great to see our Juniors staying with the club as they are at the stage they can mix it with the senior men. Excellent for their development and always great to have some young legs in the field!

This season has seen a reduction in teams with nearly 90 registered players trying to fit in to 4 teams. This has proved to be the right amount of teams though with nearly every week having nearly exactly 44 players available.

Our 4<sup>th</sup> Grade and 5<sup>th</sup> grade sides are dominating the ladders in their respective grades – clearly on top both of them.

Our 1<sup>st</sup> and 3<sup>rd</sup> grade had a slow start to the season, but are seeing some great signs backed up by some strong performances recently, so we are pretty confident they will both rise up the ladder.

Our T20 side is yet to get on the field. First game was a bye and the second match being washed out. Our next round will be this weekend, so looking for a strong performance. We have a great mix of players from all grades as well as a couple of Juniors playing in the comp. Should be fun!
